

Conclusion

“Called To A True Heart of Worship In His Presence!”

Let's Look Back at the Conversation We Started During the Introduction 14 Weeks Ago!

CQ1

*“How often do I miss out on the deeper things
God is trying to communicate with me in the moment,
In the morning, the afternoon, the evening,
Throughout the whole day, and the work week?”*

CQ2

*“More importantly how often do I miss what God is trying to do in my life
On the one day, when my relationship with Him,
Should be front and center alongside others who call Him:
God, Father, Savior, Lord, Spirit, Counselor, Comforter, & Friend?”*

Conversation Reminder Of Where We Have Been

*“When everything that is pressing in on me should be given over, when my fears and anxieties
should all melt into the background. When I need His Presence to be so real that I long
for nothing else. How do I miss out on these moments, these conversations, these divinely
appointed life transforming encounters?”*

*“The answers may surprise us, if we are diligent to stop and do a real introspective of our life,
our motivations, our intentions, our use of time, our hobbies, our leisure, and our spiritual walk
over the course of an ordinary week, and especially on a Sunday Morning Together!”*

Conversation Reminder Of What We Have Learned

*“These last fourteen week's together has lead us into a Deeper Understanding of Daily & Weekly
Worship of Our Lord Jesus Christ. And now as we come near the end of this Season of Lent
(‘Preparation for the Recalling of His Passion, Death, & Resurrection at Easter; let us put into
practice what we have learned using a simple weekly plan of a reoccurring walk along the Ancient
Paths visiting Two Similar Sets of Worship Pillars each day.”*

*“This new found introspection and incorporation of what has been revealed to us will provide
the scaffolding to ask some poignant questions of our individual lives and our corporate lives as
the Body of Christ going forward this year in 2024! Let us take the opportunity to actively transform
ourselves & our corporate worship time together; so that the ‘True Heart of Worship’ becomes all-
encompassing and all-consuming in His Divine Presence among us each day & during each of our
Sabbath Celebrations on Sundays!”*
